

ABM750 AZTECH BREAD MAKER

OVERVIEW

Put in the necessary quantities of food ingredients, select the preferred bread or food making function, and wait for it to finish cooking - bread making has never been this easy! The Aztech ABM750 Bread Maker is the latest and smartest innovation when it comes to easy bread making and food cooking. It involves an almost mess-free preparation, eliminates the inconvenient and time consuming dough kneading when baking, requires very minimal to almost no attention of usage, and best of all : does not require complex bread making knowledge to use - even your kids can bake their favorite pastries using this amazing appliance.

The Aztech ABM750 also implements a simple yet elegant design. The Aztech Bread Maker is capable of baking up to 750gram sized breads, and is also capable of providing up to 16 excellent cooking functions users would absolutely love to use : (1) Basic, (2) Nutrition, (3) Sweet, (4) Fruit, (5) Whole-Wheat, (6) French, (7) Quick, (8) Blend, (9) Dough, (10) Cake, (11) Rice Cake (12) Jam, (13) Yoghurt, (14) Rice Wine, (15) Fried Peanuts, and (16) Bake. Users are also given the capability to select their preferred bread crust color (e.g. light, medium, or dark), and configure the preferred bread cooking time as desired. Other features such as a 13-Hour time delay setting to always have your food freshly made on the preferred time, a 60 - Minute Keep Warm function which keeps your food warm immediately after cooking, and a transparent window to allow you to see the current output of the food your are cooking (e.g. crust color, current texture).
