Corporate Statistics

38 Years of Experience

2 Manufacturing Factories

4 R&D Centres

40+ Countries of Customers

4000+ Employees Globally

846,000+ Sq ft of Built-Up Manufacturing Facility

39 High Speed SMT Lines

56 Plastic Injection Machines

Founded in 1986, Aztech Technologies is a one-stop integrated design and manufacturing solutions provider based in Singapore. Backed by strong R&D, design, engineering and integrated manufacturing capabilities, we provide ODM / OEM / JDM / Distribution services for AI Surveillance Solution & System.

We support clients with value-added service at every stage:

- Industrial Design,
- Moulding Development,
- Hardware,
- Firmware,
- Software Development
- Regulatory Compliance, and more.

Company Services

## World-Class Manufacturing Services, Built For You

Original Equipment Manufacturing (OEM)

We design the products and specifications, and clients can buy our products off-the-shelf to do **white and private labelling.**

Joint Development Manufacturing (JDM)

We will work in close cooperation with partner across designing, engineering and manufacturing

Original Design Manufacturing (ODM)

Based on client's product idea brief, we will research and develop the product design, specifications and manufacture them.

Contract Manufacturing Services (CMS)

We manufacture products according to client's design, formula, and specifications

Kyla

IP Cameras

Dome
Wi-Fi Camera

- 4MP Resolution
- Supports AI Features
- Wi-Fi
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109º Wide FOV
- Onvif Supported

Recessed Mount Dome PoE Camera
(with Backup Battery & SD Card)

- 4MP Resolution
- Supports AI Features
- Power-over-Ethernet
- Supports up to 128GB SD Card
- 2 Hours Backup Battery
- IR Cut Filter with Auto Switch
- 20m IR Range
- 112º Wide FOV
- Onvif Supported

Product specifications may change without prior notice

Bullet
PoE Camera

- 4MP Resolution
- Supports AI Features
- Power-over-Ethernet
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109º Wide FOV
- Onvif Supported

Dome
PoE Camera

- 4MP Resolution
- Supports AI Features
- Power-over-Ethernet
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109º Wide FOV
- Onvif Supported

Product specifications may change without prior notice

Kyla Outdoor Camera

Bullet
PoE Camera

- 4MP Resolution
- Supports AI Features
- Power-over-Ethernet
- Full Colour Night Vision (Optional)
- IP67 Rating
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109° Wide FOV
- Onvif Supported

Dome
PoE Camera

- 4MP Resolution
- Supports AI Features
- Power-over-Ethernet
- Full Colour Night Vision (Optional)
- IP67 Rating
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109° Wide FOV
- Onvif Supported

Product specifications may change without prior notice

## Dual Lens Dome PoE Camera
with Colour Night Vision

- 4MP Resolution
- Supports AI Features
- Power-over-Ethernet
- Full Colour Night Vision
- IP67 Rating
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109° Wide FOV
- Onvif Supported

Product specifications may change without prior notice

Kyla Outdoor Wi-Fi Camera

Bullet
Wi-Fi Camera

- 4MP Resolution
- Supports AI Features
- Wi-Fi
- Full Colour Night Vision (Optional)
- IP67 Rating
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109° Wide FOV
- Onvif Supported

Dome
Wi-Fi Camera

- 4MP Resolution
- Supports AI Features
- Wi-Fi
- Full Colour Night Vision (Optional)
- IP67 Rating
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109° Wide FOV
- Onvif Supported

Product specifications may change without prior notice

Kyla Outdoor LTE Camera

Bullet
LTE Camera

- 4MP Resolution
- Supports AI Features
- LTE
- Full Colour Night Vision (Optional)
- IP67 Rating
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109° Wide FOV
- Onvif Supported

Dome
LTE Camera

- 4MP Resolution
- Supports AI Features
- LTE
- Full Colour Night Vision (Optional)
- IP67 Rating
- IR Cut Filter with Auto Switch
- 20m IR Range
- 109° Wide FOV
- Onvif Supported

Product specifications may change without prior notice

Kyla Solar-Powered Outdoor Camera

Solar-Powered Bullet Wi-Fi Camera

- 4MP Resolution
- Supports AI Features
- Wi-Fi
- IP67 Rating
- Easy Deployment
- 20Ah Lithium Battery
- 40W, 12V Photovoltaic Panel
- IR Cut Filter with Auto Switch
- 109° Wide FOV
- Onvif Supported

Solar-Powered Dome WiFi Camera

- 4MP Resolution
- Supports AI Features
- Wi-Fi
- IP67 Rating
- Easy Deployment
- 20Ah Lithium Battery
- 40W, 12V Photovoltaic Panel
- IR Cut Filter with Auto Switch
- 109° Wide FOV
- Onvif Supported

Product specifications may change without prior notice

Solar-Powered Bullet LTE Camera

- 4MP Resolution
- Supports AI Features
- LTE
- IP67 Rating
- Easy Deployment
- 20Ah Lithium Battery
- 40W, 12V Photovoltaic Panel
- IR Cut Filter with Auto Switch
- 109° Wide FOV
- Onvif Supported

Dome LTE Camera

- 4MP Resolution
- Supports AI Features
- LTE
- IP67 Rating
- Easy Deployment
- 20Ah Lithium Battery
- 40W, 12V Photovoltaic Panel
- IR Cut Filter with Auto Switch
- 109° Wide FOV
- Onvif Supported

Network Video Recorder

Kyla Network Video Recorder

8 CH PoE NVR

- 24/7 Local Recording
- App with Live Alerts
- 1x 10TB HDD Capacity
- Remove Viewing
- Power over Ethernet
- Instant Playback
- H.264 / H.265 Video Compression
- Linux Operating System
- 1x VGA up to 1080P, 1x HDMI up to 4K

16 / 32 / 64 CH PoE NVR

- 24/7 Local Recording
- App with Live Alerts
- 2x 22TB HDD Capacity
- Remove Viewing
- Power over Ethernet
- Instant Playback
- H.264 / H.265 Video Compression
- Linux Operating System
- 1x VGA up to 1080P, 1x HDMI up to 4K

Product specifications may change without prior notice

Body Worn Camera

Body-Worn Camera

- 24/7 Local Recording
- 2MP Video Resolution
- 4MP Image Resolution
- Smart Detection & Alerts
- GNSS Location Tracking
- Two-Way Audio
- Built-in Battery Pack
- LTE & WiFi
- 125° Wide FOV
- IP65, 3m Fall Protection

Product specifications may change without prior notice

Kyla Digital Microscope

Digital Microscope

- 4K Image Resolution
- 2MP Video Resolution, 30 fps
- 280x Magnification
- WiFi Setup
- Edit Photo and Share via App
- Rechargeable Battery
- 3 Hours Battery Lifespan
- 2 Hours Charging Time

Accessory

- Watch Holder (Optional)

Product specifications may change without prior notice
